Education and Training

2025-Present Carnegie Mellon University
2020-2025 British Columbia Creative Center
2020-2025 Point Grey Secondary School

Skills

Languages

- English (Native Speaker, high-level writing and documenting)
- Mandarin Chinese (Native Speaker, high-level reading, fluent typewriter)

Artistic Skills

- Developed a wide range of studio practices, including painting, mixed media, and experimental techniques across large and small formats
- Planned and prepared artwork for exhibitions, including concept development, layout decisions, framing, installation, and documentation
- Built cohesive visual narratives through thematic research, drafts, and iterative refinement of artistic ideas

- Managed time-intensive projects with consistent attention to detail, color, and form

Communication and Outreach

- Engaged with audiences, students, and collaborators through clear, approachable communication during gallery events and workshops
- Wrote marketing copy, captions, and promotional material to support exhibitions, programs, and student-focused initiatives
- Used social media and community outreach to increase visibility and participation for events and nonprofit projects
- Adapted communication style across teaching, customer-facing roles, and professional collaborations

Leadership and Teaching

- Mentored youth artists in structured lessons, demonstrations, critiques, and hands-on studio guidance
- Led or assisted in organizing community programs, workshops, and events for schools, nonprofits, and local art spaces
- Provided structured coaching in both artistic and athletic settings, supporting skill development and teamwork
- Took on leadership roles in school and community groups, helping plan, coordinate, and execute ongoing initiatives

Professional Experience

- Supported gallery exhibitions, nonprofit events, and public art programs through hands-on coordination, communication, and planning
- Worked with cultural organizations, studios, and schools to deliver workshops, community events, and youth programs
- Helped manage outreach efforts for fundraisers, art shows, and student-focused initiatives
- Collaborated with curators, instructors, and event teams to prepare spaces, handle logistics, and communicate with participants
- Adapted to both studio and administrative environments, balancing creative tasks with organizational responsibilities
